SEE INSTRUCTION NO. 2

Dear Mr. Mrs. Manley:

I am sure you are surprise to hear from me I  
been writing you for quite sometime. I hope you and the  
Wife is well. I been reading where your team had a  
good season and a nice Club the first half of the season.  
Well I have been getting along just fine the going been  
very hard at time but this is the army. I was very lucky  
in France to meet Leon Day we was very happy to  
see each other the only one I seem over hear I new real  
well. Day was very fat but hope to pick up where he  
left off I guess there two more years left for me after  
the war I hope.

How is Newark I guess everyone is working. I could  
enjoy being back home there so much you got to try thought  
here not much enjoyment hear. I was in Paris but did  
get to see much but what I seen was very beautiful.  
I hope to visit there once more. I will be happy when this  
war is over to get see home once more about all we think  
about. Well I hope these few lines find you and Wife and in  
best of health. Give my regards to all the boys.

your truly  
John Hayes
